2025-2026**

Our Mission

Modernizing Music Education

To empower music educators with the tools, training, and resources needed to integrate technology into their classrooms, fostering a more engaging and dynamic learning environment for students.

We rely on the support of sponsors like you to continue this important work.

Our Value

Supporting innovative and creative music education

Every year, TI:ME delivers over 6000 hours of professional development at state and national Music Educators Association (MEA) conferences, helping teachers stay on the cutting edge of educational technology.

We also share hundreds of thousands of dollars worth of resources to plant the seeds of music technology programs in schools. We direct valuable resources such as hardware, software and training workshops to schools and teachers in need of this support.

Our Events

YSU ABLETON EDUCATOR DAY

Youngstown, OH, September 24, 2025

WMEA CONFERENCE

Madison, WI, October 29 - Nov 1, 2025

NYSSMA CONFERENCE

Rochester, NY, December 4-7, 2025

MIDWEST CLINIC

Chicago, IL, December 17-19, 2025

OMEA CONFERENCE

Columbus, OH, January 29-31, 2026

TMEA CONFERENCE

San Antonio, TX, February 11-14, 2026

MMEA CONFERENCE

Baltimore, MD, February 20-22, 2026

Our Events

Annual Professional Development: Your funding allows us to continue offering high-quality professional development at MEA conferences, directly benefiting thousands of music teachers nationwide.

Workshops and Resources: With your support, we can host specialized events and develop resources that make integrating technology into the classroom easier and more effective.

Sponsor Recognition

As a sponsor, you'll receive recognition for your generosity:

Website Visibility: Your brand will be prominently displayed on our website, viewed by thousands of educators and industry professionals.

Event Signage: Sponsors are acknowledged on extensive signage at all our events throughout the year, ensuring visibility to event attendees.

Newsletters: Your support will be highlighted in our newsletters, reaching thousands of music teachers nationwide.

Promotional Emails: At our discretion, you may request us to send promotional emails to our members, providing additional opportunities to engage with our network of educators.

TI:ME
Technology in Music Education

"All music, traditional and non-traditional, has a place!"

Featured in this month's member focus, author and educator Kris Gilbert takes us on a journey through creating a music technology program from scratch. Read about her journey on the [TI:ME](#) website.

[Join us at an upcoming event](#) to learn how to build a program like this at your school and network with like-minded educators to engage your students with the best music creativity tools available.

Interested in serving the organization? If you are local to one of our chapters, consider attending our annual meeting event in October!

TIME x Gibson Foundation

Support modern music education by buying a guitar from [TI:ME](#). [TI:ME](#) is pleased to announce the sale of several guitars generously donated by the Gibson Foundation and Gibson Gives. These proceeds will assist in funding...

Newsletters

TI:ME membership is free and includes a monthly e-blast with features about inspiring programs, upcoming events and features from partners.

Gold and Platinum sponsors enjoy regular postings to our list of 2000+ educators.

All sponsors are thanked at the end of each e-blast.

Sessions

TI:ME curated events often feature products from sponsor companies, and representatives from sponsors often collaborate and host sessions themselves.

We gather the community of forward thinking educators that trust our sessions - visibility and representation of partner brands are very visible during sessions.

General Sponsorship

TI:ME is a lean operation with hundreds of volunteers giving sessions and organizing events. We have one employee and only a handful of stipends for operations.

Your monetary support helps us provide logistical support, travel and housing for events and expansion of our mission.

All donations are tax deductible as allowed by law;
TI:ME is a 501c3 entity, registered as
Technology in Music Education Incorporated in the State of Tennessee

In-Kind Sponsorship

TI:ME accepts in-kind support as well. If your company donates software, hardware or classroom materials we can direct those to active educators. We can accept everything new, used and B-stock as well as license codes.

We provide educational resources for those starting new courses and programs and will soon begin taking grant applications to get donated products directly into schools.

Sponsorship Levels

| BASIC sponsorship | BRONZE sponsorship | SILVER sponsorship | GOLD sponsorship | PLATINUM sponsorship |
|------------------------------------|-------------------------------------|---|--|--|
| \$500-\$1999 | \$2000 - \$2999 | \$3000 - \$4999 | \$5000 - \$9999 | \$10,000 plus |
| Mini logo on website & newsletters | Small Logo on website & newsletters | Medium Logo on website, newsletters and signage at events | Large logo on website, newsletters and signage at events | Jumbo logo on website, newsletters, signage at events and intro slides as “presenting sponsor” |

Our Partnership

Our long history of supporting innovative music education has led to several publications, projects and programs that have literally changed the face of music education.

TI:ME connects directly to the community of musicians teaching music production, creativity and composition at all level of schools like no other. Your generous partnership amplifies this mission and makes real change in music education possible.

Become a TI:ME sponsor

If you're interested in supporting TI:ME or learning more about sponsorship opportunities for the 2025-2026 season, please contact:

Mike Lawson, Executive Director, TI:ME

Email: execdirector@ti-me.org

Phone/Text: 6158709333

Together, we can continue to inspire and support music educators across the country. Thank you for considering becoming a sponsor and making a lasting impact on the future of music education.
